Therefore AGILO keeps organizing Health Check up Camps, Health & AIDS Awareness Camps, Blood Donation Camps, etc. Agilo Youth Club received overwhelming response and benefitted thousands of poor families who couldn't afford such services.

- **Woman Empowerment Camps:** In tune with national campaigns, Agilo Youth Club keeps organizing various Campaigns in India which were quite successful. Also the Youth Club is working for educating girls. The awareness generated led to make willingness of parents to send their daughters to school. The regular and focused interaction of youth club members with girls and women of the village has sensitized them to become independent and be self-sustaining. Interestingly, there is demand for skill training and there is increased participation of women/girls in Beauty & Wellness and Cutting & Tailoring in Agilo Foundation & other institutes. Apart from free skill training, Youth Club has been encouraging woman by identifying excellent women and honoring them.

The multifarious activities of the club are now more focused. The engagement and participation of students in various activities has led to their empowerment as well.
